Purpose

This policy provides the rules and guidelines for the issuance of Out of Town Memberships at Clare Golf & Country Club.

Scope

This policy applies to all Clare Golf & Country Club Members who, for an aggregate of 4 months or more between the months of April and September, reside outside a 100 km radius of Clare Golf & Country Club. These Members will receive a preferred rate on their memberships.

Policy Statement

1. Clare Golf & Country Club recognizes that the sport of golf is a costly one without adding the cost of travel to the mix. Therefore, in recognition that some of our members travel a long distance and would still love to play our course on a regular basis, the course offers a preferred rate to those Members who, for an aggregate of 4 months or more between the months of April and September, reside outside a 100 km radius of Clare Golf & Country Club.
2. There are some cases where extenuating circumstances may arise where an Out of Town Membership would be warranted even though the member resides inside the specified area. These cases will be decided at the discretion of the General Manager.
3. These members will receive a 25% discount on the price of an adult membership.
4. There are no restrictions on the amount of golf that can be played. These members receive all the same playing and pricing privileges as other adult members.

Roles and Responsibilities

5. The General Manager along with the Pro Shop Staff will be responsible for the issuance of Out of Town Memberships. Proof of residency may be required in some cases.
