

Clare Golf and Country Club
Ladies Division Report for the 2021 AGM

The COVID-19 pandemic meant that the 2020 season was a quiet one. With many public health restrictions in place, many of our traditional events had to be cancelled, including the Opening Scramble, the Tuesday Night Scrambles, the Ladies Field Day and the Jackie Frost Tournament.

The Ladies Club Championship was held, as were the match play and 2-ball tournaments. Participation in tournaments continues to be low, with most of our members preferring non-competitive play.

We hope the 2021 season will see a return to our full schedule of events.

Gisèle Thibault
Ladies Division President
