

Clare Golf and Country Club

## 2024 President Report

I would like to thank Jim Sampson for his service to our club as President, it was a challenging time and with your guidance and leadership the challenges were met head on.

I value your friendship and guidance and will not hesitate to seek out your advice as my term progresses.

I would like to thank the nominating committee and shareholders for trusting me to lead the Board.

I would also like to thank the rest of the Board and subcommittees for your hard work and dedication to Clare Golf and Country Club.

To Annah and her staff 'hats off' for a job well done. We had a very trying year in 2023 and to turn things around in 2024 the way you did and show a profit is appreciated by the entire board and membership.

2024 was a very busy year. Coming out of the winter Clare was treated to favorable weather conditions that held for most of the year with very little time lost to inclement conditions.

Operationally 2024, the manager's report and the Treasurers report will lay out in detail the results.

In respect to course improvements with our previous fundraising tournament along with assistance from the Ladies Division, Berton German, and volunteers we were able to complete the paving project on number 4 and the cart path project on number 7. Thank you to all involved.

Our grounds crew as well deserve our thanks and appreciation for providing us with course conditions day in and day out, that are second to none in this Province especially considering the limited financial resources that they work with.

To our Ladies Division I would like to offer a very well deserved thank you, from all in the Clare Golf Family.

For years you have run tournaments for our course that have been the envy of other courses having great attendance and more importantly for the special hospitality that you have provided to golfers from all over.

A special thanks to Aimee, Gisele, Stella, Jeannine, Ghislaine the stalwarts that have given untold hours of their time and what seemed like boundless energy (to those of us who watched)

for literally decades when their years are combined, to build the ladies division and present tournaments for the province's lady golfers. The tournaments were incredibly well run and enjoyed immensely by those that participated.

We as a community are all in your debt and wish to say thank you for work well done that presents our community to the rest of the province in a manner, we are all proud of.

Thank you all for jobs well done.

I am truly looking forward to this year.

David S. P. Dow

President, Board of Directors

Clare Golf & Country Club
